To date H.A.L.O. has placed over 3600 dogs and cats into loving homes giving these wonderful animals, and their humans a new life. The funds we raise go to support our on going programs and H.A.L.O. is committed to working with local communities to help provide information and education about pet care and rescue. We continue to be successful thanks to the support of the community and businesses such as yours.

100% of the funds raised from this event. after event costs, will aid H.A.L.O. in our continued efforts to rescue, foster and re-home displaced animals in eastern Contra Costa County, helps provide spay and neuters to low income families, and helps with the continued advancement of our educational programs.

TOURNAMENT
2010**

Friday October 1, 2010

TOURNAMENT INFORMATION

FORMAT: SCRAMBLE

- All players in the group tee off.
- The best drive is then selected and all players bring their golf balls to that point.
- All players hit their next shot from that point. The ball can be placed within one club length from the ball selected; no closer to the hole under the same condition e.g, a ball in the rough cannot be moved to the fairway.
- Play progresses in this same manner until the ball is holed out. Only one score is written down for the team.
- On the green, all players putt from the best point selected by placing their ball within 6 inches of the point selected, but no closer to the hole. First ball in counts, please don't putt out the rest of the balls.
- Gentlemen will play from the White tees. Ladies will play from the Red tees.
- If your group has only 3 players, one player will take an extra shot on each hole. The player taking the extra shot should rotate among the 3 players in your group.
- Two drives from each player must be used
